MY DOG

I have a dog. His name is Polkan. He is 1 year old . Polkan's type is a mongrel. He is black and white.

He likes to chase the neighbour cats, to sleep in his kennel and to go to shop with us . Polkan likes sausages.

Polkan is good with our cats and other dogs. He is a member of our family

Polkan has got a friend Signal .Last year Polkan used to go out with his friend. They ran along the street and played together.

We love Polkan. He is always there for us and we are always there for him.
